Hoof and Paw Benevolent Society of South Carolina is a non-profit 501(c)(3) organization dedicated to helping protect, comfort and improve the lives of animals in South Carolina. We are able to accomplish this through fundraisers and donations. Money raised through this 5k will help us provide shelters and rescues with funds to cover the costs of spay/neuter, emergency vet care, heart worm treatments, and pet food programs for senior citizens. With your support we are making a measurable impact in the lives of animals in need.
